Dear Dr. Speer:

We will be glad to keep the type standing for the Bowen book for several months if you think there might be a chance of a reprint. We imagine by that time you will be able to decide if it will be necessary to hold the type any longer.

We make a nominal charge for holding type pages on customers order for a period of over six months.

We are enclosing your receipted bill which we failed to include with our acknowledgment.

Mr. Harvey W. Miller,

Dear Mr. Miller:

We received word from Dr. Speer this morning that you had not received a copy of the BOWEN MEMOIR.

According to our records we mailed you a copy on December 12th, but the label did not carry your street address, as Dr. Speer's card only carried Ada, Oklahoma.

We are, therefore, wondering if this book might have been caught in the Christmas jam, and delivered to the wrong party, or whether it might be held at the Post Office.

If this has not been delivered to you, we will be glad to mail you another copy as soon as we hear from either you or Dr. Speer.

Sincerely yours,

Dear Mr. Bailey:

Your order No 5080 for a copy of the Life of George Bowen to be sent to Rev. C. J. Eiselein was taken care of the first week in February when the book was released from the press. I am now waiting to hear from Dr. Speer as to the price to be charged you for it.

I had an attack of the grippe and was out of the office for more than two weeks and this had delayed our arrangements with Dr. Speer.

The M. P. P. Company -

Will you please send me a copy of the book mentioned in the Review by a man I tremendously admire. - I have had the M Review since its first number, as Dr J. M. Sherwood, worked with Dr Pierson at first was my husband's Uncle; the M Review is absolutely the finest Magazine in the public - that, and the dear old Christian Herald, makes me keep up one's courage for this weary wicked old world. Have patience with me, as I'm 87½ years old -

Sincerely

Mrs M. E. Weber -
